Plattsburgh . . .

Plattsburgh State University College is the home of approximately six thousand undergraduate and graduate students. It is a friendly school nestled in the Champlain Valley several miles north of the beautiful Adirondack Mountains. The campus is a peaceful setting for academic pursuits as well as social activities. The two hundred and forty eight pages of this book are an attempt to capture the atmosphere of the campus and the students who live here.

Campus

Homecoming

Moffitt Hall wins first place in the dorm float contest while Alpha Chi Rho won the prize for the best float over all.

The Night Life

One thing Plattsburgh is known for is its night life. Campus parties, activities at The Point and downtown with its many bars provide students with entertainment every night of the week. The popularity of such activities decreased slightly on December first when New York State raised its drinking age from nineteen to twenty one. An increase in non-alcoholic events resulted. Parties during the spring semester shifted to off-campus locations as the administration cracked down on dorm activities. One thing for sure is that there will always be a place in Plattsburgh to unwind and enjoy the company of others whether it be over a beer or a mocktail.

Movin' In

In the fall, the faculty office building was dedicated in the names of Edward E. and Lillian B. Redcoy.

WPLT

Carson Hoag (pres.), James Hofecker (v. pres.), Dane Spirio (treas.), Scott Reiter (sec.)

The WPLT Radio Station is the student-owned and operated open air FM radio station, located in Macdonough Hall.

ACTIVITIES COORDINATION BOARD

Jeff Agnoli, Toni Bloom, Howie Cohn, Chip Donoghue, Karen Fields, Maureen McCabe, Cina Rodolico, Fred Ruskie, Tom Schaller, John Stewart

The Activities Coordination Board of the Student Association is responsible for sponsoring activities which will enhance the social and cultural atmosphere of the college. The Vice President for Activities chairs the A.C.B. which consists of five sub-committees which individually schedule various activities. They are: Bands in the Ballroom, Concert Committee, Film Committee, Speakers Drum, and Weekends Committee.

REPERTORY CINEMA

Kathy Durham, John Abreu, Eileen M. Stio, Patrick Hayden

The Repertory Cinema was founded in 1982 by Liz Bolucas and Neal O'Brian. The idea behind forming the organization was to create a revival house. Plattsburgh has about five different movie theatres, all of which show only new releases. Repertory Cinema shows a conglomeration of old, foreign, strange, and classic movies regardless of their box office success. It is true that the Student Association does fund another film group, but they usually show the previous years top-ten. It gives the students an excellent chance to see those movies at a cheap price, but it is not a revival house by any means. But the combination of the two makes Plattsburgh State an enjoyable and complete "movie scene".

ACCOUNTING CLUB

Maureen McCabe (pres.), Kirsten Sorensen (v. pres.), Peter Diana (treas.), Lexi Garcia (sec.)

The Accounting Club promotes the study of accounting, the exchange of ideas and exposure to accounting practice. In addition, members provide a tutoring service to students in need of assistance in the field of accounting.

OMICRON DELTA KAPPA

First Row — Deborah Pacyna (treas.), Traci Moorcroft (pres.), Kim Allison Lawrence (v. pres.). Second Row — Edward Asselin, Judy LaBambardi, Mary Catherine Redmond, Lauren Krams, Wm. D. Laundry (Acting Faculty Sec.). Third Row — Ed Engelbride, Gerard Mignane, Susan Zimberg, R. Pollow, Dawn Steiner

Omicron Delta Kappa is the national leadership honorary society.

COMMUTER CLUB

Stacy Barie (pres.), Dana Collins (v. pres.), Barry Davignon (treas.), Taunya Laramie (sec.)

The Commuter Club provides commuter students with a chance to get together through activities, meetings and the Commuter Lounge which is located in the Angell College Center.

ROTORAC CLUB

Bob Behm, Debra J. Bowen, Greg Brand, Ja Ainley-Brand, Thea Broadus, Christina Bruning, Pam Chapman, Karen Chase, Diane Calucci, Laurel Coaley, Ahmed El-Taher, Hanan El-Taher, Brian Mayatt, Traci Moarcroft, Rebecca Stams, Perry Valastro

Rotaract gives all members a chance to work together in active service projects in the community. It also links you with thousands of others who are working for better international understanding through Rotaract. Every Rotaract club works on at least three major service projects annually—one to serve the community, another to promote international understanding and a third to stimulate high ethical standards in business and professions. Rotaract activities are not all work, by any means. Rotaract groups find that their association is the basis for fellowship as well as service. There are provisions for Rotaract clubs to have district-wide meetings. These will develop and strengthen friendships, encourage an exchange of ideas, and broaden individual experience.

GEOLOGY CLUB

Bob Stryker, Paul D.G. Miller, Timothy J. Koren (sec.), Jill K. Orovitz (pres.), Jim Yuchniewicz, Bob Bushart, Joseph Samascott (v. pres.), Dr. Tom Wolosz, Dr. David Franzi, Dr. J. The function of the Anthropology Club is to enhance the education of its members by providing for the dissemination of a wide range of Anthropological concerns through guest speakers, films, and extra-curricular presentations of faculty research. In addition, the Anthropology Club provides a forum for the presentation of any student papers prepared for local, regional, or national professional conferences. The Anthropology Club also encourages the social interaction between student and faculty members.

MARKETING CLUB

Ed Tavino (pres.), Kathy Lacy (v. pres.), Andrea Osborn (treas.), Kathy O'Sullivan (sec.)

The Marketing Association fosters scientific study and research in the field of marketing and seeks to improve techniques of research.

NATIONAL STUDENT SPEECH, LANGUAGE AND HEARING ASSOCIATION

Doreen Burke (pres.), Eileen Greene (v. pres.), Jeannie Haefling (treas.), Theresa Pryor (sec.)

The Plattsburgh State Chapter Of the National Student Speech-Language-Hearing Association was created in July 1972 because of student's desires for closer affiliation with professionals in the discipline of human communication sciences and disorders. NSSLHA offers its members opportunities to participate with members of the profession in variety of activities Miniseminars with guest speakers, Special NSSLHA sponsored events, and sessions concerning clinical topics and professional issues are scheduled.

A series of devastating earthquakes rumbled through Mexico City in September and the death toll was in the thousands. Few in the metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale; or the second quake, which measured 7.5

Four Palestinian terrorists hijacked the Italian cruise liner Achille Lauro while on a Mediterranean cruise. One American was killed. After the ship was released the Egyptian government agreed to return the hijackers to the PLO. However, the hijackers were intercepted by American jets as they were flown out of Egypt and returned to Italy to stand trial.

A Delta Airlines jetliner crashed near Dallas in August, killing 137 people. The plane was on a flight from Fort Lauderdale, Florida to Los Angeles with an intermediate stop at Dallas-Fort Worth. Thirty-four people survived the crash but five died of injuries later. The plane encountered a severe wind shear as it plunged to the ground.

Riots were an almost daily occurrence in South Africa as blacks protested Apartheid. In this photo, a white man runs from jeering group of stone-throwing blacks in downtown Johannesburg as widespread violence continued to break out throughout the country.

A Trans World Airlines jet with 145 passengers and eight crew members was hijacked in Athens, Greece, in June. The Shiite hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days but the remaining 39 hostages were held for 17 days. One American hostage was killed.

Viscomi's View

The 1984 season saw Plattsburgh finish at 12-4-1 and currently we are on target to match last years record, or even better it. Right now we are 10-4-1 as we head into the New York State Championships, held at Brockport, for the fifth consecutive year. Early season highlights include a tie with nationally ranked Cortland State and a clean sweep of all other S.U.N.Y.A.C. opponents. This enabled us to finish tied for first in S.U.N.Y.A.C. East. A hard fought victory over Plymouth State started us on a winning streak as we ended the regular season with six consecutive victories. The team ws led by senior co-captains Emily Sickler and Sue Fox. Senior Darlene Le Vielle was our leading scorer.

Mens' Soccer

Waterbury's Wind-down

The Plattsburgh State Mens' Soccer team entered the 1985 season with a great deal of optimism, although there was an abundance of youth. With only seven lettermen returning from last year's 5-8 season, inexperience would prove to be a factor which could not be overcome. We played all opposing teams evenly and also outshot them. But we had a distinct problem putting the ball in the net. This explains our record for the current season. I am looking forward to next year because twenty players will be returning. Eight starters are included among these twenty and we will build around them. We ended 1985 by winning three out of our last four games. This makes the prognosis for 1986 a rather high one.

Women's Cross Country

The 1985 women's cross country once again had another outstanding season, finishing second in the SUNYAC'S, third in the NCAA Regionals, and fourth in the ECAC'S. The only two teams the women were unable to defeat this fall in the nationals were Ithaca College (3rd in the nation) and Cortland State (4th in the nation). Junior co-captain Ellen Kissane lead the young Cardinals most of the season. Senior co-captain Maria Schofield and senior Cheryl Miner each had strong seasons, while giving stability to freshman Kathy Kane, Tina Nicholson, and Judy Serth. Sophomores Terry Gallagher and Amy Wilmarth and juniors Sue Hutchins and Kim Vogelsharg rounded out the Cardinal squad.

The 1985 men's cross country team had a new look in 1985. With 22 athletes on the squad, only three had run for second-year coach Jim Nichols. Returnees Mickey DeVivo and Rich Friel did a super job of leading the new team to an early season victory at the nine-team St. Michael's Invitational. Leading this list of new-comers was freshman Andy Guay, who qualified for the NCAA National Cross Country Championships held in Atlanta, Georgia. Other freshmen included Andy Hill, Kerry Meehan, and Keith Guli-foyle. Juniors Glen Dow, Tom Rissberger, Neal Dow, and Stephen Nyahwa each played an important role in the Cardinals' improvement. This lack of experience did not hold the Cardinals back, as the respectable showings at the SUNYAC'S and NCAA'S indicate. Increased improvement and maturity should make the Cardinals a "toughie" in 1986.

Alexander's Analysis

After a magnificent season, our team concluded 1985 with a fifth place finish in the SUNYAC Women's Tennis Championships held in Albany. Despite being short-handed, we were able to total 11 points in the field of 12 teams. I was extremely pleased with the teams 7 and 3 record this season. Jennifer Sears compiled the best singles won/lost record (8-2) this season. Diane Heyde and Kelly Penfield had the best won/lost record (7-2) in doubles. Other individual honors included Penfield (the Captain and Olympia Award candidate), Lori Parenti (Most Improved Player), and Lisa Castle (receiving the "Most Hustle" award). Graduation will hurt the team, but we have a strong nucleus which should help to make us a force to be reckoned with in 1986.

Women's Basketball

Sturm's Synopsis

This years version of the Lady Cardinals has featured five returning players, three of which are starters. Darcy Gilbo played superbly for the team and was a tremendous scorer. Teammates Patty Demers and Suzanne Souza were outstanding at point guard. Denise Simard proved to be a controlling rebounder and tough inside. Colleen Antsette rounded out the starting five. Two freshmen to look for at the end of this year and for years to come are TJ Cornwright (excellent inside player) and Donna Dixon (expecting big scoring nights from her). Freshman Kim Nysstrom (terrific rebounder) and sophomore Belinda Cross (exceptional role player) are also needed to add depth to a talented squad. If the women play anywhere near their potential, we will have a winning season. The ladies are a pleasure to work with and the future looks really bright for us.

Mens' Basketball

With only three players returning from last year's disappointing finish, the men hoopsters began the 1985-86 season with a lot of question marks. Those three players, however, and senior Joey Wright (returning this year after being shelved last season with an injured knee), return to form the nucleus of this year's team.

Wright, and senior Tony Shedrick, 7.8 ppg., will most likely remain as the starting guards throughout the beginning of the season. Freshman Alain Moore and Juco transfers Rudy Outlaw and Guy Garrow look to emerge as the guards of the future, if not providing much added depth towards the end of the season.

In the frontcourt, the veteran duo of Mark McIntyre, 11.0 ppg., 5.6 rpg., and Bernard Brown, 5.8 ppg., return to spark an impressive scoring attack. Juniors Marty Safford and Michael Fagan, two tremendous rebounders, will also vie for starting positions.

The Cardinals are also undertaking a very tough schedule. St. Lawrence and Union College are two tough non-conference foes. In order for the Cardinals to make the play-offs this season, they must get past, or at least split with perennial play-off participant Albany State and last year's NCAA Division III runner-up, Potsdam State.

With the addition of the 45 second shot clock and the advent of the three-point field goal, a lot of high scoring games will be occurring. If the Cardinals can get their act together and get past the tougher opponents, they might make their first play-off appearance since 1980.

Law's Low-down

With the start of the 1985-86 season around the corner, I must say that I cannot wait for play to start. I feel that this year's edition of the Cardinals has an extremely good chance of finishing with a winning record and also making the play-offs.

The back court is our most improved area, and with the addition of a couple of junior college transfers, it is an experienced one. The front line is strong and rangy, and not afraid to rough it up inside.

I expect the team to run a lot more this year, and with the three-point shot, I guarantee we will be scoring a lot more. All I can say is that we will play the best that we can, and if we are able to execute, watch for us come play-off time.

Once again, we welcome back the powerful mens hockey team, fresh off a fantastic season and a trip to the NCAA final four! To prove that last year's success was no fluke, the team is undergoing one of its toughest schedules ever, and has even fielded a junior varsity team, which will be extremely helpful in case a couple of varsity players get injured.

Coach Steve Hoar, in his second season, has brought in a great many recruits (mostly from Canada and Massachusetts) in order to make the 1986 team one of the strongest ever. Look for top recruit Andre Giroux to become one of the teams leading scorers and watch for frosh goalie Craig Barnett, who will give incumbent Dan Be-
dard a tough fight for the starting net-minders position.

As usual, the Cardinals can be expected to chalk up a

lot of goals this season. Joey Ferras and Dave Piromolli, two of the three top scorers from last year, return to lead a potent scoring attack. Also watch for Steve Bester and Steve Plaskon, two seniors who could explode and score at any moment.

The defense will be a major concern again, but with Brian Riley employing his defensive strategy for a second year, it should be much improved. Look for Rick Stahl and Jack Doak to solidify the defensive corps and improve the power play.

On paper, the Cardinals look even better this year than last. If the team jells and everyone plays hard, the Cards have a super chance to improve upon last years record and, quite possibly, bring a national championship to Plattsburgh.

Hoar's Harmonizing

The 1986 Cardinal Hockey team is facing one of the toughest schedules in existence here. The schedule includes Division I opponents University of Alaska, Kent State, and Notre Dame, while also including perennial powerhouses such as St. Lawrence and Vermont, and Division 2 toughies Elmira and Union.

I feel the team is really starting to come together and the difference between this year and last year is that we are coming into this season as defending SUNYAC champions and a lot of success is expected of us.

Last year, the team peaked in the first semester and it will be interesting to see when they will peak this season. I just hope it will be in time for the play-offs. January will tell the story. If we can establish ourselves then, then watch us as we enter the play-offs.

Top Row (L-R): R. Dickerman (Asst. Coach), A. Hasting, D. Jahnsen, T. Nicholson, A. Hill, Kerry Meehan, G. Bawman, P. McHugh, T. McClay, R. Friel. Middle Row (L-R): J. Nichols (Coach), C. Alfieri, T. Farmer, E. Morabito.

Track and Field

The 1986 Plattsburgh State men's track and field program has a new look this season as new faces abound. The promise of a fine season has been seen in the results of the early season meets.

Senior co-captains Bill Kinahan and Andy Hastings will lead the men into action this season. Kinahan leads the sprint corps, while Hastings, battling back from injury, and Glenn Dow, a first year transfer, will anchor the middle distance corps. A troop of freshmen led by Andy Guay and Andy Hill lead the distance runners into state competition. Guay qualified for the NCAA Division III National Cross-Country Championships last fall.

Returning veteran Eric Morabito leads the team's weight crew, along with Tony DeCotis, Pat Bickett, and Paul Berry. Freshman Troy Farmer, of Saranac Lake, is the lone Cardinal pole vaulter.

The women's track and field team has a promising season ahead of them in 1986. A number of returning veterans plus quite a few new faces have combined this year to yield a talented program.

Senior co-captains Ellen Kissane and Cheryl Miner will lead the middle distance runners. Susan Hutchings, a national qualifier in the 400m in 1985, will solidify the 200m and 400m sprints, while also seeing action in the 800m. Freshmen Deb Johnson and Susan Alfieri will lead the sprinters. Freshman Judy Serth and sophomore Amy Wilmarth will lead the long distance runners. Both are veterans of the 1985 Cardinal team that finished third at the NCAA Regional Championships.

Johnson and Hutchins, who recently set a new school record in the triple jump, will also see frequent action in the jumping events. Freshmen Desiree Peart of Bayport, Long Island, who recently set a new school record in the shot put, is yet another new face to watch.

With the contributions of many other women, a talented team prepares to see action against the best in New York State and the rest of New England.

College professors picket the administration building in November to protest contract conditions.

The continuous harmonic relationship enjoyed between the various fraternal organizations would not be possible without the hard work of a dedicated group of individuals — Greek Council. Greek Council is composed of members of each fraternity and sorority on campus, and is responsible for all activities which involve more than one Greek organization.

Charity drives are a major community function of the many Greek organizations, and of Greek Council. The continuous exchange of ideas and information, which strengthens all the Greeks through Greek Council, helps to maintain a strong relationship between all Greeks and the campus at large. Greeks are very proud of their individuality, and Greek Council supports and strengthens this by using this as a common bond for the greater good of all.

Alpha Kappa Phi holds individualism as one of the most important aspects of the sorority. As distinct personalities, we feel that by combining the various talents and interests of many, we can emerge as an effective constructive force.

With every new sister welcomed into Ago, a totally new experience happens for the individual and the group. There are many friendships, happiness and even some disappointments involved in the sorority but each adventure is a learning experience.

Phi Kappa Chi, also known as the Clio's, have once again proven that we are a distinguishable, unique group of individuals. We stress sisterhood, as well as an "Active Social Awareness".

Although we are constantly changing, we still maintain our traditional values. Not only are we growing in number, but we are also growing in spirit and pride.

"Out of 100 people surveyed, the only answer is Phi Kappa Chi".

Psi Epsilon Chi, founded in 1968 is the only Greek organization at Plattsburgh State to own its own house. Our house, located across from MacDonough Hall, is well known for its basement and warm weather porch parties. We are a community action organization, always looking to help out the Cancer Society or other such groups.

We encourage any men intersted in Psi Ep to come find aut what we are all about.

The Theta Kappa Beta Fraternity started in 1959, founded by a group of Korean War Veterans. Since then it has grown and decreased in number but never once did it slacken its own respect for its ideals. It strives for love between its individual members, honor amongst other organizations on campus, and a faith in God that its love will perpetuate the organization.

The BETAS have been actively involved in college community services, including Bi-Annual Blood Drive, Plattsburgh Earth Day (P.R.I.D.E.), The United Way, The Heart Fund, The Cancer Society, and Community Hospital and County Nursing Home Services.

With our every growing Brotherhood, the Beta's have been able to establish a scholarship for its brothers, as well as contributing to the college foundation in an effort to help those students who are in need.

But most importantly, the BETAS are BROTHERS. And with our strength in our brotherhood, we will continue to grow in the future and to help our college community neighbors, and most importantly to help each other.

Alpha Delta Theta has been a vital organization at Plattsburgh for 60 years. During this time we have been actively involved in community projects as well as those here on campus. Among these are an annual fund drive for the Heart Fund and visiting various homes and hospitals during the holiday season.

Being an Alpha Delta means expanding horizons. It begins with pledging a time of self discovery and continues through the years with increased social and civic awareness. Our ideals of sisterhood bond us to each other through good times and bad. Individuality, Unity, Respect.

In the Fall of 1983 Phi Delta Omega became a colony of Sigma Pi, the fastest growing and currently the fourteenth largest fraternity in the nation. Now, with the moral support and financial backing of eighty thousand Sigma Pi brothers an even stronger brotherhood has been formed. Now we can, and will, aid Plattsburgh State and its surrounding community with fund raisers, entertaining activities, and with ideas that are working in 140 other colleges around the nation.

Though becoming a strong and stable organization is a goal focus, we deeply believe in the privacy and freedom of the individual. Together, each individual member will contribute to the ongoing success of the Sigma Pi brotherhood.

Pi Alpha Nu is the oldest fraternity at Plattsburgh State, established in the fall of 1957.

Pi Alpha Nu is a high spirited fraternity that stands up for its ideals. Our fraternity's aims are to promise high standards of scholarship, character and fellowship. This brotherhood maintains these aims through its social activities and services.

Our pledging centers around a sharing of ideas between brothers and prospective brathers. We don't try to make one conform to our ideas, we use ones individuality to better ourselves.

Since the Fall of 1981 when Alpha Phi Gamma was established our sorority has risen to a proud number of 43 sisters. Recognized as "the girls in garnet and gray, who carry teddy tears," we stand by the meaning of our sorority — "The Beginning of Friendship." We are a very close knit organization who have a strong common bond of sisterhood yet each sister strives to maintain her individuality and uniqueness in hopes to better the sorority and the Plattsburgh State campus as a whole.

On campus and in the community we are well known for our Blood Drives, March of Dimes Walkathons, and fundraisers for local charities. In our first fully established year we were proud to be the recipients of the Scholastic Cup. This year in addition to the President's Cup, we were again the proud recipients of the Scholastic Cup. The President's Cup is the highest award at Plattsburgh State, in honor and recognition of community and campus services.

Alpha Phi Gamma has grown a great deal in a short time and will continue to grow through the strength and bonding of our sisterhood.

Pride in our accomplishments, in who we are and in where we're going is just one facet of the emotions held by the Thalias. We are a group of girls who through our community projects, scholastic achievements, campus activities and social functions have much to be proud of, too!

Theta Alpha Lambda sorority is a blend of unique individuals, each with their own ideas of love, loyalty and unity. They bring these ideas together and through much cooperation and much hard work help to establish a definition of sisterhood.

Active participants in the campus Homecoming the Thalias were co-recipients of the first place award for floats in the Creek Division. Being in the community is a major part of sorority affairs. To date we have worked for the American Cancer Society, Salvation Army, CYPH Blood Drives and given time to numerous homes for the aged.

Continuing to grow in numbers the Thalias are always ready to open their hearts to new members. Always striving to maintain our ideas of friendship and loyalty we are sincere in our belief that Thalian girls are the best.

The editors enjoy a trip to Charlotte, N.C. for an educational tour of the Delmar Printing Plant.

There comes a time in everyone's life when he or she must say goodbye to someone, something or someplace. The time has come for many of us to say goodbye to Plattsburgh State and the many friends we have made in the years we have spent here. The goal of this and every yearbook is to preserve our memory of the year's events for decades to come. Capturing the memories of some six-thousand students would not have been possible without the support of many people. First, I would like to thank the members of the staff. It was their hard work and dedication that made this all possible. Next, I would like to thank Claire Johnston for her moral support during the last two years. I also owe a good deal of thanks to my parents Celeste and Bernie for service above and beyond the call of duty in the last four years. As a closing word, I would like to say congratulations and good luck to the Class of '86.

Thank you for your support,

Bruce Rudberg
